

Corning® *Filtered and Racked Tips Promotion*

PRODUCT LAUNCH Promo

IsoTip filtered pipet tips

- ✔ Featured and inert, hydrophobic barrier that prevents aerosolized contaminants from coming in contact with pipettor shafts
- ✔ Ideal for DNA amplification and radioisotope handling
- ✔ RNase/DNase-free and nonpyrogenic

Racked pipet tips

- ✔ Certified DNase and RNase free
- ✔ Nonpyrogenic
- Space-saving design

Each empty rack worth RM2.00 when you trade-in and place your new racked tips order

* Number of empty rack trade-in must not exceed the number of rack tips purchase
